

donate old or unused hearing aids

VA Nebraska-Western Iowa Health Care System, in conjunction with the Nebraska Department of Veterans Affairs and the Nebraska Commission for the Deaf and Hard of Hearing, is collecting old and unused hearing aids to be reconditioned for those who don't have the resources to obtain hearing aids on their own.

Drop off your old or unused hearing aids in Audiology at the Omaha VA Medical Center, 4101 Woolworth Ave., or the Lincoln VA, 600 S. 70th St. Through this partnership, hearing aids are donated to the Sertoma Hearing Aid Bank, which provides reconditioned hearing aids to Nebraska residents 65 and older, and the Lions Hearing Aid Bank, which provides reconditioned hearing aids those ages 19 to 62.

For more information, contact Susanna Fuehrer at 402-471-3067 or susanna.fuerher@nebraska.gov. Or, visit the NCDHH website at www.ncdhh.ne.gov.
